

**Cristiane Bergerot:** Cristiane Bergerot, Ph.D., is the Director of the Department of Psycho-Oncology at CETTRO Cancer Research Hospital in Brasilia, Brazil. She completed a 3 year research fellowship in the Department of Medical Oncology at the City of Hope Comprehensive Cancer Center in Duarte, California, USA. She has been working with cancer patients for almost 15 years as a clinician and as a researcher. She has over 30 peer-reviewed publications in journals including first-author publications in *Cancer*, *Journal of Immunotherapy for Cancer*, *British Journal of Urology International* and *Psychooncology*. She has presented her work at the American Society of Clinical Oncology (ASCO) Annual Meeting, the ASCO Genitourinary Cancers Symposium, the European Society of Medical Oncology (ESMO) and the ASCO Palliative and Supportive Care in Oncology Symposium. She has received four merit awards from the American Society of Clinical Oncology (ASCO) Conquer Cancer Foundation and was selected for the prestigious SWOG Young Investigator Course. She is committed to bettering the lives of patients with cancer through (1) obtaining a detailed understanding of their quality of life and (2) addressing their quality of life through novel, targeted interventions.
