

Cancer and Aging: Reflection for Elders (CARE) SIG

Chair (s): Tania Estape (Spain) and Patricia A. Parker (USA)

Mission of the CARE SIG In response to the rapid growth of the aging population diagnosed with cancer and their caregivers, the mandate of the Cancer and Aging: Reflection for Elders (CARE) SIG is to promote global collaborations among researchers, clinicians, and decision makers to improve outcomes for these groups.

Up to three key accomplishments since December 31, 2021:

1. Re-started SIG after several year hiatus
2. Recruited new members

Two key initiatives underway for 2022:

1. Planning webinar for Winter 2022 on Cancer, Cognition, and Aging
2. Developing manuscript—Review of Cancer and Aging: An International Perspective
