

EHEALTH SIG

Chairs: Tania Estapé (Spain) and Claire Foster (UK)

This special interest group is focused on exploring and advancing E-health activities that relate to psychosocial oncology.

Activities by eHealth SIG during 2022

1. Webcast organized with IPOS Ehealth SIG and Survivorship SIG Education Committee : “Delivering remote physical activity, diet and psychological support to people affected by cancer” Chairs: Tania Estapé (Spain), Claire Foster (United Kingdom) and Savita Goswami (India); Speakers: Chloe Grimmett (UK) and Gemma Pugh (New Zealand)
2. Survey to gather information on ehealth & mhealth tools among the members of the Ehealth SIG
3. Symposium at IPOS congress (Toronto 2022)
4. Online meeting: 26/07/2022
5. Two web-casts with Survivorship SIG (self-management part 1 and self-management part 2 including ehealth self-management support)

Key initiatives for 2023:

1. **Submit ehealth symposium to IPOS Congress 2023**
2. **Webcasts with survivorship SIG in 2023 (ehealth/self-management support in LMICs)**
3. **Training on ehealth use for LMICs or other interested groups**
