

## **LMIC COMMITTEE REPORT**

### **Goals, objectives and results for 2022**

#### Objectives for 2022

To connect with LMIC members through virtual and in-person meetings

To hold educational webinars

To develop a curriculum for Psycho-oncology appropriate to LMIC regions, in collaboration with Education and Fundraising Committees

To engage with other IPOS Committees for LMIC representation for capacity building and research

#### Activities in 2022

Virtual meeting of LMIC members on 7 Feb 2022

In-person meeting at IPOS World Congress on 1 September 2022

Webinar on 25 May 2022 on Developing Psycho-Oncology in the LMICs

Presentation on Psycho-oncology in LMICs

Initial meetings and draft preparation on Psycho-oncology Curriculum for LMICs

Initial meeting to explore engagement with Research and Survivorship Committees

### **Description of issues/challenges experienced in 2022**

Limitation in arranging webinars planned

Obtaining inputs from wider LMIC membership for draft curriculum circulated

### **Goals for the next 12 months**

1. To organize the next 2 webinars on 1) Writing articles for publication in international journals 2) Developing Psycho-Oncology in the LMICs – a panel discussion with LMIC members from different regions sharing their experiences
2. To finalize the Psycho-oncology Curriculum for LMICs
3. To explore collaboration with Research and Survivorship Committees

### **Any special requests/needs for the next 12 months**

Need to engage with members
